WISCONSIN

Bat Festival

MEET LIVE BATS!

Saturday, August 25 | 9:00 am - 5:00 pm

Come and celebrate the important and unique role that bats play in our world! As the primary predator of nighttime flying insects, Wisconsin's bats are vitally important to not only the health of the environment, but people as well!

- Explore fun exhibits, displays, and activities that will make you look at bats in a whole new way.
- Discover actions that you can take to help bats, other wildlife and the environment in your own backyard.
- Have a question about bats? Talk to and learn from national and local bat experts that will be available to share their knowledge and passion for bats with you.

This is an event that you will not want to miss!

"Working the Night Shift" Science Night DEMO

Friday, August 24th 7:00 pm – 9:00 pm

Northern Great Lakes Visitor Center

29270 County Highway G, Ashland, WI 54806

See how bat experts use technology to study bats. Biologists will demonstrate field techniques to capture bats. Outside activity. Bring a headlamp and mosquito repellent!
